Our youth are the Future of Ducks Unlimited!

Puddler magazine is a children’s magazine with a critical mission-to educate our youth about the importance of wetlands and the many species of wildlife that depend upon these natural habitats for their survival.

Published quarterly fro children under the age of 12, Puddler offers a great way for kids to learn about wildlife, general ecology, ecosystems and animal behavior. It includes illustrated stories and wildlife adventures, animal folklore and tales, quizzes, puzzles, and other interactive features designed to entertain, stimulate curiosity, and reinforced learning.
